

# CREATIVE WRITING

Materials needed: paper, pen, books and/or internet

To help you, think about these things:

1. What is the name of the place and what country is it in?
2. Who would you like to travel with? (Mum, dad, sister, brother, friend?)
3. What transport would you need to take to get there? (Plane, ship, bus, train?)
4. What would you see or do when you got there?
5. Where would you stay? (Hotel, camp, village, in a caravan?)
6. What kind of clothes or equipment would you take with you?
7. How do you say 'hello' in the language of this place?
8. What does the flag of this country look like?
9. What types of foods would you eat while you were there?
10. How long would you stay?
11. What type of trip would it be? (to visit family, a holiday, a camp?)
